When I was doing research for this book I interviewed a lot of people about their own experience during the huge blackout of 2003. Occurring only two years after the tragedies of 9/11, I assumed most people would have panicked, and although some did, I was surprised to learn that most people really, truly enjoyed it.

This document describes a general approach to writing white papers. It answers questions like: What is the objective of a white paper? How is it different from other documents with similar content? How does it work? What are the key parts of a white paper and how are they organized? I recognize that different authors have different views on this subject
