A flipped classroom is an instructional strategy and a type of blended learning that reverses the traditional learning environment by delivering instructional content, often online, outside of the classroom. It moves activities, including those that may have traditionally been considered homework, into the classroom. In a flipped classroom, students watch online lectures, collaborate in online ...

The cat (*Felis catus*, syn. *Felis silvestris catus*, literally "woodland cat"), often referred to as the domestic cat to distinguish it from other felids and felines, is a small furry, carnivorous mammal. It is called a house cat when it is tame and kept as a pet, and a feral cat when it is living wild. It is often valued by humans for companionship and for its ability to hunt vermin.
