I recently purchased this desk to create a home office nook in a corner of our bedroom. I considered a few different corner models, but went with this Sauder Beginnings desk because it seemed sufficiently large enough to hold my laptop, monitor, and keyboard with room for a few other desk items, and I liked that it had extra storage space in the form of shelves.

Dramatic literature, the texts of plays that can be read, as distinct from being seen and heard in performance.. The term dramatic literature implies a contradiction in that literature originally meant something written and drama meant something performed. Most of the problems, and much of the interest, in the study of dramatic literature stem from this contradiction.
