Education in the United States is provided by public, private and home schools.. State governments set overall educational standards, often mandate standardized tests for K-12 public school systems and supervise, usually through a board of regents, state colleges, and universities. Funding comes from the state, local, and federal government. Private schools are generally free to determine ...

Hi, I see you're very engaged so I figured you might enjoy another short story. I was the typical lazy little shit ever since second grade, every parent-teacher meeting the same, word for word, (he finishes all the required tasks on time and does great on all the tests but he couldn't work), studied some 5 minutes every class and spent the rest doing something interesting or causing trouble.
