

human resource management by pdf

Human resource management (HRM or HR) is the strategic approach to the effective management of people in an organization, so that they help the business gain a competitive advantage. Commonly known as the HR department, [by whom?] it is designed to maximize employee performance in service of an employer's strategic objectives. [need quotation to verify] HR is primarily concerned with the ...

Human resource management - Wikipedia

A human resources management system (HRMS) or human resources information system (HRIS) is a form of human resources (HR) software that combines a number of systems and processes to ensure the easy management of human resources, business processes and data. Human resources software is used by businesses to combine a number of necessary HR functions, such as storing employee data, managing ...

Human resource management (HRM) has frequently been described as a concept with two distinct forms: soft and hard. The soft model emphasizes individuals and their self-direction and places commitment, trust, and self-regulated behaviour at the centre of any strategic approach to people. In contrast, the hard model stresses the rationalism of strategic fit and places emphasis on performance ...
