## **The Seven Stages of the Creative Thinking Process (CTP) in**

So many people out there think that the creative process is that insight, that "Aha"™ moment, or the the preparation part. But really a creative individual isn't™ complete, and I don't™ think they can do anything that really lasts, unless they can go through that and actually put in the hard work.

## **The Five Stages of the Creative Process - James Taylor**

The truth is that almost everyone has creative potential. What separates good creatives (or dormant creatives who get lucky) is that they've learned how to walk through the creative process, which isn't™ the mystery that it's™ sometimes made out to be. Turns out, you can walk through the creative process too.
