...

An Executive Summary of The most important thing

The most important thing is a solidly based, strongly held estimate of intrinsic value. To value investors, an asset isn't an ephemeral concept you invest in because you think it's attractive (or think others will find it attractive).

The Seventh Most Toolkit Important Thing

The Three Most Important Things In My Life By Trever B* To most people the most meaningful things in life are materialistic. They look at what they got rather than who the item's from, or the price, rather than how hard that person worked to afford it. When a person asks me what the three most important things in my life are, I
